

APRIL 2015

Greetings All...

The NEXT MEETING on Friday April 10th is a PRESENTATION night. John Campbell will bring along his light box and he will demonstrate how best to use this: He will demonstrate, using Photoshop, how to apply Textures to an image. Also, John will speak on “Tethered Shooting”. This looks like being a very informative evening and one not to miss.

Friday April 24th is a COMPETITION night - Still Life + Open. Our judge for the evening is Jeff Akers. **Definition of Still Life:** a photograph of a man made arrangement of objects. The main idea is to create a good composition and objects used should be compatible with one another. Please forward digitally Projected Images to the Projectionist ccdooleys@gmail.com no later than Saturday 11th April so they can be sent along to our judge.
