

CAMERA CLUB NEWSLETTER – JUNE 2015

The NEXT MEETING on Friday June 12th is a PRESENTATION NIGHT. Luke McCormac will speak on Colour Management and fine art printing. This is sure to interest all our photographers who print their own work.

Friday 26th June: This is a COMPETITION NIGHT – Open + Close Up. Our judge for the evening is Phil Ramsden. **Definition of Close Up:** Close up photography is the act of photographing subjects taken at close range or with a long focal length lens, on a relatively large scale, so the subject fills the frame. In other words a close up photograph is one where the camera seems to have been very close to the picture it took. Please forward digitally Projected Images via DOOLEYS Camera Club website by midnight 13th June. If you have difficulty with online submission, please email your images to the Projectionist ccdooleys@gmail.com.

Please note: It is important to still fill out an Entry Form for your digital entries along with listing your prints for the monthly competition.

7th PHOTOGRAPHIC EXHIBITION

Our 7th Photographic Exhibition opened in grand style with a cocktail party followed by the opening. The Exhibition is a great opportunity for members of DOOLEYS and their guests to view our work and maybe think about joining the Camera Club.
