MARCH 2011

We would like to welcome our new members for February to the Camera Club: Scott Ratcliff, Elizabeth Risteska, Lydia Bradatsch, Lowel Abaca and Bob Shaw. We hope we didn't miss anyone.

The NEXT MEETING (on Friday March 11) will be PRESENTATION evening. Allan Coker's topic is "Black and White Conversions". It will be a very interesting evening. Allan knows at least 10 different ways to convert an image.

We have a WORKSHOP planned for Saturday March 19. David Miller will be giving instructions on how to prepare our images for competition using Photoshop. If you have a lap top computer, bring it along for this interesting workshop. More about times etc later on.....

Our MEETING (on Friday 25th March) will be a COMPETITION NIGHT – Night Photography + Open. Our judge for the evening is Suzanne Jenkins. Definition of Night Photography: any photograph taken out of doors at night, providing that flash is not used. This month's Digital Images need to be sent to Ilona no later than Saturday 12th March so they can be sent along to the judge. Please send your images to ccdooleys@gmail.com

DOOLEYS 2011 Camera Club Exhibition

Every financial member of Dooleys Camera Club is asked to supply up to four images of their choosing, to be included in this exhibition. Two of the images are guaranteed to be included in the exhibition, maybe all four, depending on available space. The exhibition runs for the month of April and is an excellent opportunity to show our work to the members and visitors to the club. Please bring these images in ASAP.

Also, the cocktail function on Friday 1st April to celebrate the opening of the exhibition should be a good night. Formal invitations will be sent out from Dooleys so please RSVP. All financial members will be invited.

June Long Week-end

Arrangements are now being made for the June Long Week-end. Northern Beaches / Narrabeen has been chosen for our photographic week-end away. If you are interested in joining in with the fun, and expanding your photographic skills, speak to Frank Pidgeon our events coordinator and add your name to the list. (or speak to a committee member at the next club meeting) The sunrises and sunsets over the ocean should be quite spectacular at that time of the year.

Don't miss out on this great week-end. !!!!
