WALK THROUGH KINGS CROSS – Sunday 23rd May

John Campbell will conduct a Photo walk around Elizabeth Bay, Kings Cross & Potts Point. The meeting place for anyone doing the walk is at the **El Alamein Fountain**, Fitzroy Gardens, Kings Cross. This is only a short walk from Kings Cross Station. We will meet between 1.45p.m. – 2.15p.m.

There should be plenty of photo opportunities for Architecture & Photo Journalism competitions which are coming up later in the year.

Because of track work, on this particular Sunday, there will be no city circle trains. You could catch a train at Martin Place Station to Kings Cross. John's mobile number is 0427 057 388. John will speak further about this walk at our next meeting on Friday May 14.

MUNGO TRIP

JUNE LONG WEEK-END 12TH to 14TH

or an extended trip up to 9 days

David Miller will be organising this trip, and will speak further about the details at our next meeting on Friday May 14th.

Some of the places we will be travelling to will be Narrandera, Mungo National Park, Silverton, Broken Hill, Menindee Lakes, White Cliffs & Dubbo. You can drive this in a well maintained normal car - you do not need a 4 wheel drive vehicle.

What a wonderful opportunity to explore the outback of New South Wales, with a group of photographic enthusiasts, and take some fabulous photos of our great country.

PLEASE NOTE SOME IMPORTANT CHANGES

As from our Competition meeting on 23rd July, our Digital Images will need to be sent to John Campbell, two weeks prior to the Competition, i.e. by Saturday 10th July, so that John can send the images to the judge. Comments by the judge will still be made on the night, but the judging process should be a lot quicker.

Also, as from our meeting on June 25th, our Camera Club meetings will be starting at 7.30p.m. sharp, not 7.45p.m.
