

CAMERA CLUB NEWSLETTER – JULY 2014

Greetings All...

A very warm welcome back to Daisy and we welcome our new members for June – Leah, Noelene, Carol, Kai and Ray.

The next meeting on Friday July 11th is a **PRESENTATION** evening. Paula DeBarros will talk on how we can make some “Pocket Money from our Images”.

Our meeting on Friday 25th is a **COMPETITION NIGHT**. Nature + Open. Our judge for the evening is John Newton. **Definition of Nature:** Nature photography depicts living, untamed animals and uncultivated plants in a natural habitat, geology and the wide diversity of natural phenomena, from insects to icebergs. Photographs of animals which are domesticated, caged or under any form of restraint, as well as photographs of cultivated plants are ineligible. Minimal evidence of humans is acceptable for nature subjects, such as barn owls or storks, adapting to an environment modified by humans, or natural forces, like hurricanes or tidal waves, reclaiming it. The original image must have been taken by the photographer, whatever photographic medium is used. Any manipulation or modification to the original images is limited to minor retouching of blemishes and must not alter the content or the original scene. Please forward your digitally Projected Images to the Projectionist ccdooleys@gmail.com no later than Saturday 12th so they can be sent along to our judge. **(No images will be accepted after Saturday 11.59p.m.)**

If any members are interested in participating on the night, please contact John Campbell johncam@optusnet.com.au and register your name. If you are available on the night, don't miss out on this fun filled evening. A light supper is provided and lots of laughs are guaranteed.

CRONULLA BEACH OUTING

The 6.00a.m. early morning outing to Cronulla Beach was a great opportunity to learn different skills using our camera. The sun may not have been as spectacular as we would have liked but there was a little bit of good light and everyone enjoyed themselves. The breakfast that followed was lovely as well. Special thanks to Paula DeBarros for organising this event. (Photo supplied by Gary Palmer)
